

This *senninbari* was made from white cotton and has no tie strings. In its center, there are one thousand red circles and each holds one gold knot. The left side of the *senninbari* has been painted with a fantastic image of a fighter plane hurtling through the air. On the right hand side are four *kanji* characters that give the owner's name Okawa Hajime and the motto "Control The Skies!" Overall measurements are 6.0"x47.5" (15.0cm by 119.0cm.).
