

Extremely beautiful and colorful tiger art flag. Nearly every inch of the white field is covered in characters while the lower right has a large, full color image of a snarling tiger painted upon it. Across the top of the flag is the slogan *Ki Buun Chokyu*. This silk flag was presented to "Mr. Takahata Yoshinobu," and measures 28.5"x38.25" (72.0cm by 97.0cm.). *Flag courtesy of John Egger.*
